

Alberta hits 70% threshold, triggering full reopening on July 1

June 18, 2021

Alberta has reached its final Open for Summer threshold, triggering a two-week waiting period before Stage 3 begins.

With 70.2 per cent of eligible Albertans having been vaccinated with at least one dose as of June 17, Alberta will move to Stage 3 on July 1 and fully reopen, removing all mandatory restrictions.

Anyone in Alberta aged 18 and over can still enter the first Open for Summer Lottery draw for a chance to win \$1 million. Registration closes at 11:59 p.m. on June 24 and proof of vaccination will be required to claim the prize.

The winner will be announced on July 1, when Alberta officially enters Stage 3.

Restrictions eased in Stage 3 of the Open for Summer Plan, effective July 1

- All remaining restrictions will be lifted, including the ban on indoor social gatherings.
- Isolation requirements for confirmed cases of COVID-19 and protective measures in continuing care settings may remain.
- The general indoor provincial mask mandate will be lifted, but masking may still be required in limited and specific settings.

At 70.2 per cent, 2,671,564 of eligible Albertans have now received their first dose, including more than 25 per cent who are fully vaccinated with two doses.

To book your COVID-19 vaccine, visit alberta.ca/vaccine to find available appointments with AHS or participating pharmacies across the province. Select locations are offering walk-in clinics for first doses.

Alberta's government is responding to the COVID-19 pandemic by protecting lives and livelihoods with precise measures to bend the curve, sustain small businesses and protect Alberta's health-care system.
